

# Sublime, Were Only Gonna Die For Our Ignorance

Early man walked away,  
as modern man took control  
their minds weren't all the same  
to conquer was their goal  
so he we built his great empire  
and he slaughtered his own kind  
he died a country's man  
killed himself with his own mind

We're only gonna die from our own irogance  
that's why we might as well take our time-e-e-e-e-e
