Subliminal Substances, Make Me A Favor

Am alive
Am open
Am a star a fucker
I close me eyes
To see the stars
Because of you since
The start
And I know
That all I've done
Because of you
Now is gone
All my thoughts and my proud
You take them deeper into
The ground"""""""""""".(x2)

Make me a favor
And stop all your fucking shit"""'(x2)

Chorus

Deeper!!!
Fucker

I hear your life
And I've gone deaf
About it

Ka ' Boom!!!!

Chorus
