

# Submersed, Answers

I seek to speak the words of wisdom  
I seek to speak the words of truth  
So I,  
I reach out for the heavens  
I reach out for the stars

Are the answers out there?  
Or do we all wait until the end?  
I need a reason to care,  
A new light and eternal flame  
All I want to know,  
Is are the answers out there?  
Yeah

I feel the need to seek perfection  
I feel the want to even more  
from my life  
I reach out for the heavens  
I reach out for the stars

Are the answers out there?  
Or do we all wait until the end?

I need a reason to care,  
A new light and eternal flame  
All I want to know,  
Is are the answers out there?  
Yeah (Yeah)

Yeah,  
Yeah,  
Yeah,

Yeah,  
Yeah,  
Yeah,

Are the answers out there?  
Or do we all wait until the end?  
I need a reason to care,  
A new light and eternal flame  
All I want to know,  
Is are the answers out there?  
Yeah
