Submersed, Complicated

Hey...
What's you name?
I've been crawlling on my fingers for so long...
Shame, it's your blame
You think of a better day...

Chorus:

Should it be so complicated?
'Cause I've been looking for this for so so long
And I can't believe that many things are over baby
So I will follow you down

Then it happens again

Blame, that's your game
You've been pointing fingers at me for too long
Fame, ir all you gain
You think of a better day...

Chorus

Then it happens again (4x)

Chorus

So I will follow you down
iI will follow you down
