

# Substance D, Everyday

Everyday I hear  
Addictions calling me  
Have I gone insane  
Hear it

Fixated on the need  
To pollute my brain  
Feed it

Now the timeline's set  
I can see it all  
I must not forget  
How god awful

Everyday I see  
I see through the lie  
The lie that buries me  
See it

I pay my dues in time  
No one pushes me  
Take what I need  
Take it

Feel  
I always feel the pain  
Suffer  
It's what I do everyday

Everyday I feel  
I feel it paralyze  
Inside I want to die  
Feel it  
Forever in my arms  
It's a part of me  
I don't want to be

Feel  
I always feel the pain  
Suffer  
It's what I do everyday

All I have left is my suffering

Now the timeline's set  
I can see it all  
I must not forget  
How god awful

Feel  
I always feel the pain  
Suffer  
It's what I do everyday
