

# Substance D, Super Human

Raw, force, reign, my God

Raw, iron clad, sick, out of hand

Hostile and proud of it

This powerhouse you can fuck with

Intrepid, predominant, forever undying

Pitch-black and bulletproof

Like a ton of bricks, we raze, like an iron fist

Wel pulverize and enrage, superhuman

Strength, pound for pound

Break the speed of sound

Brutal, feel no remorse

We reign with excessive force

Ruthless, shameless, infinite disorder

Godlike wee thunderous

Like a ton of bricks, we raze, like an iron fist

Wel pulverize and enrage, superhuman

Raw, force, reign, my God

Pitch-black and bulletproof

Godlike wee thunderous

This damage case

Shreds to the bone

Superhuman

Pitch-black
