

# Suburban Legends, Don Juan

When I was a little-bitty boy  
Just above the floor  
I used to play doctor  
With the girls from next door  
They said, "Show me yours, I'll show you mine."  
From then on in that's how I spent most of my time.

Some people call me Tim  
Where did that come from?  
I am to be no other than  
Don Juan

Ever since that fateful day  
When I became a man  
I've broken hearts of girls  
From Guam to Japan  
Could it be my savoir-faire, My personality  
All I can say is that there is no one who can resist me
