

# Suburban Legends, Last Dance

I think it sucks  
This is not the way  
So many pretty girls  
But still I call your name  
Woman, how sweet it would be  
If I could take you with me  
To the show  
To the show

I think it sucks  
I do it everyday  
And if I had my choice  
I'd be on my way  
To a rock and roll band where I sleep with my fans  
And ain't nobody dancin' c'mon now don't you understand  
Woman, don't lay it on me

And I think how my life would be  
If this band it had never happened to me  
Visions of rock and roll are leaving me  
Cause it's only in my dreams

I don't wanna dance  
I don't wanna dance no more  
I don't wanna dance  
I don't wanna dance no more  
No time for rock and roll  
I don't wanna dance  
I don't wanna dance no more  
I don't wanna dance  
I don't wanna dance no more  
No time for rock and roll  
Tonight

It's not my choice  
That's just the way it is  
I love you so much  
But we've grown out of touch  
I'm married to my job that loves to dance  
Rocking out with kicks how long will this last  
Woman, don't walk away from me

And I think how my life would be  
If this band it had never happened to me  
Visions of rock and roll are leaving me  
Cause it's only in my dreams

I don't wanna dance  
I don't wanna dance no more  
I don't wanna dance  
I don't wanna dance no more  
No time for rock and roll  
I don't wanna dance  
I don't wanna dance no more  
I don't wanna dance  
I don't wanna dance  
I don't wanna dance, I don't wanna dance

The magic's lost and now you seem to mind  
They're spinning all around you  
All around you

I don't wanna dance  
I don't wanna dance no more

I don't wanna dance  
I don't wanna dance

I don't wanna dance  
I don't wanna dance no more  
I don't wanna dance  
I don't wanna dance no more

I don't wanna dance  
I don't wanna dance no more  
I don't wanna dance  
I don't wanna dance no more

I don't wanna dance  
I don't wanna dance

I don't wanna dance  
No no no no no no no no  
Don't wanna dance with you no more  
No no no no  
You're the apple in my eye  
Dance  
I don't wanna dance  
I don't want  
To dance

I don't wanna dance
