

# Suburban Legends, Trophy Wife

Hello Madame, I'm here to be your man  
Take me all around you but be gentle with your kiss  
Can't you see there's no other, ever loved you better  
Come with me, and you'll see that I'm all you'll need

(Chorus:)

Trophy wife, show you what feels nice  
I'll take you on the ride of your life  
Trophy wife, care not 'bout your strifes  
I'm the only family you'll ever need

Get back, get back it's me you love the most  
You don't need to talk to all these people that are close  
Many times, I've lost your kind  
Stay with me, I'll show you things  
People like in these social confrontations  
Resolutions, bits of fascination  
All my life I've been waiting for you  
You are my toy, closed doors inside a bedroom

(Chorus)

Every second that my heart beats faster  
Makes me believe in an ever after  
Fell in love with you

Can't stop, won't stop, never let you go  
So close to realize our story's been told  
Cause all my life I've been waiting for you  
You are a toy, closed doors inside a bedroom

(Chorus x2)
