

Suburban Rhythm, Mr. Smooth Guy

Well I'm the one that they call Mr. Smooth Guy,
cuz I get all the women that they try.
They can't resist my clean pants and new tie,
and that is why that they call me the Mr. Smooth Guy.
I'm the one that they want.
You haven't got a chance.
When I turn on my charm,
I've got your girl on my arm.
Handling girls has turned to profession,
taken from my masculine obsession.
Shirt button open, you can see my reflection.
Both of my shoes are shined to perfection.
Yeah, I'm one hell of a guy.
I can do anything I want.
With my style and much grace,
I'm only tryin' to give face.
Here we go..
I'm the one that they want.
You haven't got a chance.
When I turn on my charm,
I've got your girl on my ... arm.
