

# Subway To Sally, But We Don't Know

I wish I had a hairdryer  
to blow you to the moon  
I wish I was a bakerman  
curing hunger soon  
I wish I had a beaver cap  
it looks like Daniel Boone  
I keep a wish in my heart

I wish I had a girlfriend  
who would drive me away  
I wish I was a president  
I'd rule the world all night and day  
I wanna' see what's never been seen  
I wanna' live in angel's dreams  
we're never satisfied

but we don't know what we say

I want to see the holy ghost  
but he is anywhere at most  
I want to paint a red door black  
but painting black makes me feel really bad  
come on lass' we can go together  
let's take the place right now  
we're never satisfied

but we don't know what we say
