

Subwoolfer, Worst Kept Secret

They're getting closer
Might be game over
Say who am I, who am I, who am I, who am I
Who am I
I already told ya'
A secret I hold-a
Say who am I, who am I, who am I, who am I
Who am I

But who are you, who are you, who are you, who are you?
Who I?
Who are you, who are you, who are you, who are you?
Who are you, who are you, who are you, who are you?
Who are you, who are you, who are you, who are you?

And it's the worst-kept secret
It's the worst kept secret, it's the worst kept secret
In Norway

And it's the worst-kept secret
It's the worst kept secret, it's the worst kept secret
In Norway

That's not my name
Is it Ben, is it Gaute
That's not my name
Is it Ben, is it Gaute
That's not my name
That's not my name
Is it Ben, is it Gaute
That's not my name
Is it Ben, is it Gaute

Damn, it was fandom
'Cause lyrics are random
Who am I, who am I, who am I, who am I
Did you know that David Guetta he wrote this song
'Cause I think he did, I could be wrong
Who am I, who am I, who am I, who am I

And it's the worst-kept secret
It's the worst kept secret, it's the worst kept secret
In Norway

And it's the worst-kept secret
It's the worst kept secret, it's the worst kept secret
In Norway

That's not my name
Is it Ben, is it Gaute
That's not my name
Is it Ben, is it Gaute
That's not my name
That's not my name
Is it Ben, is it Gaute
That's not my name
Is it Ben, is it Gaute
