

Sueco, Loser

If I had a death note
I would write my name on every page
Hear them talking shit over my headphones
Every single word that they say
Even if I could I wouldn't let go
Maybe I'm addicted to the pain
Why is every day so uneventful
I just get more of the same, more of the same

I'm such a loser, swear to god I'm the worst
I always fuck everything up it's a curse
And I can't even catch a break when everybody's in my way
I'm such a loser swear to god I'm the worst

Fuck you
Maybe I don't wanna be saved
Damage in my brain that I can't undo
I'm more than just a little insane
Please don't ever ask me what I'm up to
You don't wanna hear what I'mma say
Smith & Wesson hanging out the sun roof
I might end up MIA (MIA)

I'm such a loser, swear to god I'm the worst
I always fuck everything up it's a curse
And I can't even catch a break when everybody's in my way
I'm such a loser swear to god I'm the worst

If I had a death note
I would write my name on every page
Hear them talking shit over my headphones
Every single word that they say
If I had a death note
I would write my name on every page
Hear them talking shit over my headphones
Every single word that they say

I'm such a loser, swear to god I'm the worst
I always fuck everything up it's a curse
And I can't even catch a break when everybody's in my way
I'm such a loser swear to god I'm the worst
I'm the worst
I'm the worst
