

Suede, 15 Again

Nothing is as bad as the time we kill
Standing in the bathroom in kitten heels
And people seem to know how we feel

15 again, oh what a wasted love, we are stained in our hearts

Afternoons in bedrooms with TV meals
Lying in the road and under your wheels
And people think they know how you feel

15 again, oh what a wasted love, we are stained in our hearts

15 again, oh much too much is not enough , we are stained in our hearts
