

# Suede, Black Or Blue

there was a girl who flew the world from a lonely shore  
through southern snow to Heathrow to understand the law  
there was a boy who loved noise of the underground  
he left the coast and overdosed on that London sound  
he said: "I don't care if you're black or blue  
me and the stars stay up for you  
I don't care who's wrong or right  
and I don't care for the U.K. tonight  
so stay, stay"  
and then one day she moved away from those garden walls  
she left some flowers, he smoked for hours  
she understood the law  
I don't care if you're black or blue  
me and the stars stay up for you  
I don't care who's wrong or right  
and I don't care for the U.K. tonight  
so stay, stay  
There was a girl who flew the world
