

# Suede, By The Sea

She can walk out anytime, anytime she wants to walk out, that's fine  
She can walk out anytime, anytime she feels that life has passed her by  
And when I start my new life I won't touch the ground  
I'm gonna try hard this time not to touch the ground

He can walk out anytime, anytime he wants to walk out, that's fine  
He can walk out anytime, across the sand, into the sea, into the brine  
And when I start my new life I won't touch the ground  
I'm gonna try hard this time not to touch the ground

So we sold the car and quit the job  
and shook some hands and wiped the make-up right off  
And we said our good-byes to the bank  
left Seven Sisters for a room in a seaside shack  
And when I start my new life I won't touch the ground  
I'm gonna try hard this time not to touch the ground...

...it's by the sea we'll breed....  
...into the sea we'll bleed...
