

Suede, These Are The Sad Songs

Lay Lady Lay and Band of Gold
A Day in the Life, And Dream of Sheep
Season of the Witch and Vincent and the Death Disco
Listen to the music in your sleep
These are the sad songs, the broken words
These are the sad songs, the lies you've heard
These are the good times you keep inside
These are the good things that you can have if you try
Venus in Furs and An Occasional Dream
Sign o the Times and Bill is Dead
and Lazyitis and Big Louise
Listen to the music in your head
These are the sad songs, the broken words
These are the sad songs, the lies you've heard
These are the good times you keep inside
These are the good things that you can have if you try
