

# Suffering And The Hideous Thieves, As You Like

We heard you like it when it snows  
We could all be snowflakes if it..  
If it helps us freeze your heart  
We prefer things to be warm and dark  
If you like things cold and hard  
That's the way it's gonna be

It's as you like it  
We can be somebody else tonight  
It's as you like it  
We can be anyone, anytime, any place you need

We stole the sun from you  
This time is for thieves  
We'll sing it loud and clearly  
And we'll never give it back to you  
No matter how you beg and plead

It's as you like it  
We can be somebody else tonight  
It's as you like it  
We can be anyone, anytime, any place you need

You'll see us change  
You'll see us crawl  
This time forever  
You'll remember us as snow
