

Suffering And The Hideous Thieves, As You Like

We heard you like it when it snows
We could all be snowflakes if it..
If it helps us freeze your heart
We prefer things to be warm and dark
If you like things cold and hard
That's the way it's gonna be

It's as you like it
We can be somebody else tonight
It's as you like it
We can be anyone, anytime, any place you need

We stole the sun from you
This time is for thieves
We'll sing it loud and clearly
And we'll never give it back to you
No matter how you beg and plead

It's as you like it
We can be somebody else tonight
It's as you like it
We can be anyone, anytime, any place you need

You'll see us change
You'll see us crawl
This time forever
You'll remember us as snow
