

# Sufjan Stevens, Adlai Stevenson

Righteous men of the earth  
Oh, have you been patient  
I suppose our thoughts about United Nations  
Adlai, Adlai  
What did he say  
And what is the answer?  
1952, the heart was not your master  
The accident you knew  
Would carry with your laughter  
Evidence, evidence  
I've heard of it  
And what is the answer?  
Adlai, Adlai  
What did he say  
And what is the answer?
