Sufjan Stevens, Size Too Small

I was the best man in a size too small. You were my best friend, going at it all. And what if I put off my inheritance? Where is the best man? All arise us all in peace. I still know you. And I still like you, the best man. And I still owe you. Everything rises, going at it all. All the surprises in a size too small. And what if I told you I was still in love with this? Would you surprise us in a size for all of me? I still know you. And I still like you, the best man. I still know you, the best man. I still owe you
