

Sugababes, Carriage For Two

Tricky:

Water now I've got me a daughter
Carriage for two
I call my baby boo
Hey "T" I've got me a little black girl
And this little black girl's beautiful
Carriage for two
Carriage for two
I call my baby boo
Hey "T" I've got me a little black girl
And this little black girl's beautiful
I try to do what's dutiful
Water, water, now I've got me a daughter
Carriage for two
I call my
I call my baby boo
Hey "T" I've got me a little black girl
And this little black girl's beautiful
I try to do, I try to do
I try to do what's dutiful
I teach her to lead
But never must she let go
Your father's rich
I teach her to lead
But never must she let go
Your father's rich
Your father's from the get-go

Martina:

Them that's got shall get
Them that's not shall lose
It's all the Bible says
It's easy when you lose
Mama may have and Papa may have
But God bless the child
That's got his own
That's got his own

Them that's got shall get
Them that's not shall lose
It's all the Bible says
It's easy when you lose
Mama may have and Papa may have
But God bless the child
That's got his own
That's got his own
