

# Sugababes, Obsession

You are an obsession I cannot sleep  
I am a possession unopened at your feet  
Theres no balance no equality  
But still I will not except defeat

I will have you yes I will have you  
I will find a way and I will have you  
Like a butterfly  
A wild butterfly I will collect and capture you

You are an obsession, you're my obsession  
Who do you want me to be  
To make you sleep with me [x2]

I feed you I drink you my day and my night  
I need you I need you by sun or candlelight  
You protest, you wanna leave  
Stay, oh, there's no alternative

Love is a bit of skin  
I see the beauty there  
But I see danger, stranger beware  
A circumstance in your naked dreams  
You reflection is not what it seems

You are an obsession, you're my obsession  
Who do you want me to be  
To make you sleep with me [x2]

My fantasy has turned to madness  
And all my goodness has turned to badness  
My need to possess you has consumed my soul  
My life is trembling I have no control

I will have you yes I will have you  
I will find a way and I will have you  
Like a butterfly oh a butterfly  
I will collect you and capture you

You are an obsession, you're my obsession  
Who do you want me to be  
To make you sleep with me
