

Sugababes, She's Like A Star

She's my everything
Like a morning girl
She's my angel up above my world
She's the only one who understands me
That's why I call her my new fan league

She's the only one that I want by my side
She's the only one that I believe can save my life
She makes me want to be a better man oh why
She's higher than the sky
The suns and the moon

She's like a star, like a star, like a star
She's like a star, like a star, like a star
She's like a star, like a star, like a star
She's like a star, like a star, like a star

Well you inspired me, to chase my wildest dreams
You mesmerized my world, I'll be your favorite girl
Like a melody, you release me, just like the greatest song
You are my number one

He's the only one I want by my side
He's the only one I want by my side
He's the only one that I believe can save my life
He makes me want to be a better girl or wife

Hey, she higher than the sky the suns and the moon

She's like a star, like a star, like a star.
Oh baby, he's like a star
Ooh baby, she's like a star
Oh baby, he's like a star
