Sugababes, Sunday Rain

Standing on the platform Waiting for the train Watching the weather change I'm seeing shades of gray

They say love's a many splendid thing We've made a mess of everything It's left me wondering...

If it's just a picture, postcard Made to teach ya Some place that you're never gonna go Never gonna know You give all your heart and got nothing to show

Days turn to nights
And the nights never end
You break my heart
And i'll break yours
That's how it goes
It goes over and over and...
And all that we are
Is just playing a part
In the game
You know what they say...
This ain't a day sun..
Oh it's called Sunday Rain

Another tear drop falling down my face You stand there at the gate But I know I can not stay The part I hate Is standing here in the ashes of the fire Watching me pay the price of my desire You know i'm gonna go You're never gonna know I've givin' all And got nothing to show

Days turn to nights (turn to nights)
And the nights never end (never end)
You break my heart (break my heart)
And i'll break yours (i'll break your yours)
That's how it goes
It goes over and over and...
And all that we are (all, that we are)
Is just playing a part (a part)
In the game
You know what they say... (ohh)
This ain't a day sun.. (day sun)
Oh it's called Sunday Rain (sunday rain)

Ohh... (Ohh...)

Days turn to nights (turn to nights)
And the nights never end (no)
You break my heart (break my heart)
And i'll break yours (i'll break your yours)
That's how it goes
It goes over and over and...
And all that we are (all, that we are)
Is just playing a part (a part) (ohh..)
In the game
You know what they say...

This ain't a day sun.. (day sun) Oh it's called Sunday Rain (sunday rain) Ohh..
