

Sugababes, Talk To Me (Angels With Dirty Faces)

Tricky:

Take once you're through

Tricky and Martina:

Someone talk to me now
Energy won't move me
Oceans, oceans won't soothe me
Cry me a bayou
Slime, sleaze pass through
You love it when I'm leaving
You love it when I'm leaving

Someone talk to me now
Energy won't move me
Oceans, oceans won't soothe me
You love it when I'm leaving
You love it when I'm leaving

Angels with dirty faces
Disappear with out traces
Them bones

Angels with dirty faces
Disappear with out traces
Love it when I'm leaving
You, you love it when I'm leaving

Someone talk to me now
Love it when you're leaving
I love it when you're leaving
Cry me a bayou

Someone talk to you now
Energy won't move me
(If I died)
Oceans, oceans won't soothe me
(Before I wake)
Love it when I'm leaving
Love it when I'm leaving
Cry me a bayou
Bring all your wants
Angels with dirty faces
Disappear with out traces
Cry me a bayou
When I'm leaving
