

Sugababes, Twisted

My personality is quite rude
Only to the point where Im on girly dues
Its so hard just being me
People asking questions
Maybe they cant see
Cos Ive got my life controlled
How bout you deal with yours
Dont talk what you dont know
Youre in the back, Im doing what I know

[CHORUS]

Me myself Im twisted,
You wont know you missed it
And its ok if Im a little bit crazy
Am I a little bit insane well maybe
And its just a little something
But Id rather be me than nothing
And its ok if Im a little bit crazy
It doesnt mean I cant be a lady

Now Im the kind of girl who knows her biz
Flirtatious in a way but it depends on how I feel
Still I keep it classy, stay with a guy thats real
Cos if he aint supporting
Then hes not the real deal, check it
Im forever getting misunderstood
Always been a leader not a puppet, its good
Before the music game there was me and thats it
Ive never been the one to fight but I wont take it

[REPEAT CHORUS]

Im not the type to say just get out my face
Cos the girl that you think you see
Sometimes needs a little space to breathe
Please, its not OK, to invade my space
Cos the smile that you see on show
Underneath it all I need some time to grow

[REPEAT CHORUS TO FADE]
