

# Sugar, Anyone (live)

If cops and kings were geared with wings  
They'd never learn to fly  
They're too concerned with rules that govern no one  
I don't need blind politics  
Or nimble flicks  
Or Lucite telephones that click when dialing  
But I need you

Who would I want if I didn't love you?  
Who would I love if you didn't care?  
Who would I love if I didn't love you?  
If I didn't love you I wouldn't love anyone.

So say goodbye to politics  
And nimble flicks  
And Lucite telephones that click when dialing  
It's easy
