

# Sugar, If I Can't Change Your Mind

Tears fill up my eyes  
I'm washed away with sorrow  
And somewhere in my mind  
I know there's no tomorrow  
I see you're leaving soon  
I guess you've had your fill  
But if I can't change your mind  
Then no one will

And all throughout the years  
I've never strayed from you my dear  
But you suspect I'm somewhere else  
You're feeling sorry for yourself  
Leaving with a broken heart  
I love you even still  
But if I can't change your mind  
Then no one will

Even though my heart keeps breaking  
Don't you know that I'll be waiting  
Here for you  
Then when you return  
When will you return  
I hope you see I'm dedicated  
Look how long that I have waited  
If you come back then you will find  
A different person  
If you change your mind

How can I explain away  
Something that I haven't done  
And if you can't trust me now  
You'll never trust in anyone  
With all the crazy doubts you've got  
I love you even still  
But if I can't change your mind  
Then no one will

Someday you'll see I've been true  
I'll stay that way until  
But if I can't change your mind  
Then no one will
