

# Sugar Jones, Dayz Like That

"Fierce-Days like that"

Now that you think about it  
How do you feel about it  
You've had some time to live with  
The mistake, that you made  
Not tryina say i'm perfect  
Push comes to shove, i'm worth it  
There were things you had to deal with  
But it's all right, 'cause were still tight

Chorus1: I can't believe you're back again  
After all you put me through  
Even though I'm still your friend  
I don't wanna be with you

Chorus2: Remember when dayz were like that  
I was loving you in return you loved back  
And now you're telling me that you miss that  
Betcha feel lonely, but it's like that  
Do you remember when days were like that  
I was loving you in return you loved back  
And now you're telling me that you miss that,  
Betcha feel lonely, but you lost me

Now that I think about it, There was some things I regret  
I should have never just let, You walk away, and not explain  
But i'm not bitter 'bout it, (no no) I had to get over it  
It made me stronger within  
There's a lesson here, Hope you learn from it

Chorus1  
Chorus2

x2  
We can be friends but not lovers  
(baby do you hear what i'm saying)  
Gotta be one not the other  
(better understand i'm not playing)

Chorus 2x

Note: At the end of the second chorus, end it with "Betcha feel lonely."
