

Sugar Jones, I Got You

Talking:

Can we get ya'all's attention?

Sugar Jones, featuring Toya Alexis.

We got Julie, Sahara, Andrea, Mirella & Maiko.

Ya'all didn't expect us to get all in your bones,

Here we go...

Singing:

Like a bee, a honey bee,

Baby come to me, cuz' you taste so sweet,

Ya, you satisfy my needs.

Like a bird, a humming bird,

Sugar sing to me somethin' like I never heard

As if tomorrow should seize..

Chorus:

And if the world outside,

should end tonight,

I wouldn't care, cuz I,

Got Heaven on my side.

And if the stars should fall, I wouldn't notice it at all,

Cuz I, got one in my sight,

I got u.

Like a rain, a candy rain,

Comin' down on me in the most peculiar way,

I ain't feelin' no shame, I'm sayin' (I'm sayin')

Underneath the apple tree,

Baby you and me sweetly,

Like Adam and Eve...

Chorus:

And if the world outside,

Should end tonight,

I wouldn't care, cuz I

I got Heaven on my side.

And if the stars should fall,

I wouldn't notice it at all,

Cuz I, I got one in my sight,

I got U...

Bridge:

I got it,

I want it,

I need it, oohhh,

I got it,

I want it,

I need it, oohhhhh

Chorus:

And if the world outside,

Should end tonight,

I wouldn't care, cuz I,

Got Heaven on my side,

And if the stars should fall,

I wouldn't notice it at all,

Cuz I, got one in my sight,

I got u.

I got u like a rain, a candy rain,

Like a bee's got his honey,

Like a bee's got his honey

It's the S to the U to the G to the A to the R, Jones,

Featuring Toya Alexis,
We got u,
We got u,
We gotta question for ya,
Do we got your attention,
Don't answer,
We know we do.....
Peace.
