

# Sugar Ray, Even Though

Even though  
She's on my mind  
Even though  
She's hard to find  
Even though there's always something with you  
(Even though there's always somethin')  
Even though  
She's right on time  
Even though  
She's always lyin'  
Even though there's always something with you  
(Even though there's always somethin')  
[Chorus]  
I know we don't talk about it  
I know that that's true  
I know we don't talk about it  
I'm so scared that I'm losin' you  
Even though  
She just stopped trying  
Even though  
I can't stop cryin'  
Even though there's always something with you  
(Even though there's always somethin')  
(Even though there's always somethin') with you  
[Chorus]  
Even though  
Even though  
Even though there's always something with you  
(Even though there's always somethin')  
(Even though there's always somethin') with you
