Sugar Ray, Every Morning

Every morning there's a halo hangin from the corner of my girlfriend's four post bed I know it's not mine but I'll see if I can use it for the weekend or a one-night stand Couldn't understand How to work it out Once again as predicted left my broken heart open and you ripped it out Something's got me reeling Stopped me from believing Turn me around again Said that we can do it You know I wanna do it again (Sugar Ray say) Oh..... (Every Morning) Oh..... (Every Morning when I wake up) (Shut the door baby, don't say a word) Oh..... (She always rights the wrong, she always rights, she always rights) (Shut the door baby, Shut the door baby) Every Morning there's a heartache hanging from the corner of my girlfriend's four-post bed I know it's not mine and I know she thinks she loves me but I never can believe what she said Something so deceiving When you stop believing Turn me around again Said we couldn't do it You know I wanna do it again Oh..... (Every Morning) Oh..... (Every Morning when I wake up) (Shut the door baby, don't say a word) Oh..... (Every Morning) Oh..... (Every Morning when I wake up) (Shut the door baby, shut the door baby) She always rights the wrong For me Baby She always rights the wrong For me Every Morning there's a halo hanging from the corner of my girlfriend's four-post bed I know it's not mine but I'll see if I can use it for the weekend or a one-night stand (Shut the door baby, don't say a word) Every Morning Every Morning when I wake up (Shut the door baby, shut the door baby) **Every Morning** Every Morning (Turn me around again) (Shut the door baby, don't say a word) Every Morning Every Morning
