

Sugar Ray, I Just Wanna Fly

All around the world statues crumble for me
Who knows how long I've Loved You
Every where I go people stop and they see
25 years old, my mother, God rest her soul

{Chorus}

I Just wanna Fly
I waya I waya want, Put your arms around me baby, Put your arms around me baby
I just wanna Fly
I waya I waya trya waya want
Put your arms around me baby

Dance a little stranger
Show me where you live
Love can make you hostage wanna do it again
Theres no time to think, Got to start it all again
We'll find out I'm told, My mother she told me so

{Chorus}

I Just wanna Fly
I waya I waya want, Put your arms around me baby, Put your arms around me baby
I just wanna Fly
I waya I waya trya waya want
Put your arms around me baby

All around the world statues crumble for me
Who knows how long I've Loved You
Everyone I know has been so good to me
25 years old, my mother, God rest her soul

{Chorus}

I Just wanna Fly
I waya I waya want, Put your arms around me baby, Put your arms around me baby
I just wanna Fly
I waya I waya trya waya want
Put your arms around me baby
