

# Sugar Ray, Personal Space Invader

Sometimes I just want to be left alone

Move your big head

It's my way go and get your own

[Elijah Blue sings:]

I don't care about the things you do

I don't care about the things you do

I don't care about the things you do

I don't care about, I don't care about

All my friends can't relate

No time off to hesitate

To my head touch my face

Two steps back you're in my space

One more impossible to position

Got the high score

Forgot to put the letterage

[Elijah Blue sings:]

I don't know about the things you do

I don't know about the things you do

I don't know about the things you know about

The things I know about the things you do

All my friends can't relate

No time off to hesitate

Feel my head touch my face

Two steps back you're in my space

[Elijah Blue sings:]

The valetting that we make

Or the illegal pictures on the net

Remember how we told you well

And that your playground is a gate to hell

I don't know about the things you do

I don't know about the things you do

I don't know about the things you do

I don't know care about

All my friends can't relate

No time off to hesitate

Feel my head touch my face

Two steps back you're in my space

You stink

[Elijah Blue sings:] I don't know about the things you do

Touching me

[Elijah Blue sings:] I don't know about the things you do

Can you say

[Elijah Blue sings:]

I don't care about the things you do

[Mark sings in background:]

Sometimes

I don't care about the things you do

[Mark sings in background:] I just want to be left alone

I don't care about the things you do

[Mark sings in background:] Move your big head

I don't care about the things you do
