

Sugar Ray, Someday

Someday

When my life has passed me by

I'll lay around and wonder why you were always there for me

One way

In the eyes of a passerby

I'll look around for another try

And'll fade away

[Chorus]

Just close your eyes and I'll take you there

This place is warm without a care

We'll take a swim in the deep blue sea

I go to leave as you reach for me

Some say

Better things will come our way

No matter what they try to say you were always there for me

Someway

When the sun begins to shine

I hear a song from another time

And'll fade away

And'll fade away

[Chorus]

So far, so long, so far away

So far, so long, so far away (away, away)

Someday

When my life has passed me by

I'll lay around and wonder why you were always there for me

One way

In the eyes of a passerby

I'll look around for another try

And'll fade away

And'll fade away

And'll fade away

And'll fade away

And'll fade away

And'll fade away

(someday)

And'll fade away
