

Sugar Ray, Time After Time

(by Cyndi Lauper)

Lying in my bed I hear the clock tickin
and think of you
caught up in circles confusion is nothing new
flashback
warm nights
almost left behind
suitcases of memories
time after
sometimes you picture me
I'm walking too far ahead
you're calling to me, I can't hear
what you've said
then you say
go slow
I fall behind
the second hand unwinds

chorus x2
If you're lost you can look
and you will find me time after time
if you fall I will catch you
i'll be waiting
time after time

after my picture fades and darkness has
turned to gray
watching through windows
you're wondering
if i'm ok
secrets stolen from deep inside
the drum beats out of time

chorus x3
if you're lost you can look
and you will find me time after time
if you fall I will catch you
i'll be waiting
time after time

time after time (repeat...)
