

Sugar Ray, Whatever We Are

So hard sometimes
Gets so hard sometimes with you

Whatever we are we are
whatever we are
whatever we are
Whatever we are we are
whatever we are

Whatever we are we are
whatever we are
whatever we are
Whatever we are we are
whatever we are
Whatever

I TRY to show you somethin' you would understand
It's gettin' better all the time
But I never think you'd listen to a word I said
Whatever it is we are we are & I said

Whatever we are we are
whatever we are
whatever we are
Whatever we are we are
whatever we are

Whatever we are we are
whatever we are
whatever we are
Whatever we are we are
whatever we are
Whatever

I don't know where to start
I don't know where to stop
It gets so crazy all the time
(wooh) But I just keep tryin'
Not to let you down
Whatever it is we are we are we are
And I said
It gets so hard sometimes
We always change our minds
It gets so hard sometimes with you (wooh)
OUR love is there to find
But it gets so hard sometimes
It gets so hard sometimes with you with you
(Oh pretty baby...you're the one)

Whatever we are we are
whatever we are
whatever we are
Whatever we are we are
whatever we are

Whatever we are we are
whatever we are
whatever we are
Whatever we are we are
whatever we are
Whatever
