

Sugarcubes, Coldsweat

Bow-wow

Chi-hua-hua-hua-hua-hua!

Dog, bad dog, bad dog, best dog

Bow-wow-wow-wow-wow

Chi-hua-hua-hua-hua-hua!

E> It were aliens who started this green popularity

E> Sure were aliens

E> They are green

E> Want everything

E> Green and brown

E> No mistake

E> New demand

E> Will be made

E> All must be green

E> Everything

E> When they land

E> The aliens would be made the laughing stock of Planet Earth

E> They are green

E> They intend

E> To occupy

E> Planet Earth

E> They have green

E> Want everything

E> Green and brown

E> ...

(Bjork says this song is "Einar's little theory" that aliens are behind the green movement (environmentalism). Their purported intention is to make everybody wear green so that when they come they will blend in... Pretty scary, huh? -- Scott)

(Now I know who's behind the Grey Panthers. -- Charles)
