

# Sugarcult, Do It Alone

Hello

Can I say that there's something wrong with this place?  
I got time just to waste if you would be my new escape  
So then I say "can't find a lover";  
Well there's no other way of pulling me under  
Cause it's gotta be fate if we're under the covers  
It's all gonna be a-ok, a-ok

I don't want to do it alone  
I'm beggin' you  
I don't want to do it, do it, do this all alone

We can dance in your bedroom with no romance  
I got time just to waste if you would be my new escape  
So then you say "won't be another";  
But you give it away cause you want to discover  
That it's gotta be fate if we're under the covers  
It's all gonna be a-ok, a-ok

I don't want to do it alone  
I'm beggin' you  
I don't want to do it alone  
Tell you what  
I don't want to do it alone  
I'm beggin' you  
I don't want to do it, do it, do this all

1, 2, 3, 4  
4, 3, 2, 1

I don't want to do it alone  
I'm beggin' you  
I don't want to do it alone  
I'm beggin' you  
I'm beggin' you  
I'm beggin' you  
I'm beggin' you

I don't want to do it alone  
I'm beggin you  
I don't want to do it alone  
Tell you what  
I don't want to do it alone  
I'm beggin you  
I don't want to do it, do it, do this all alone

Can I say that there's something wrong with this place?
