

Sugarcult, Drive All Day

I drive all day
To be with you
All day to be black and blue
All day to be face to face
And watch you turn away
Theres no way, ever turning back
You'll say nothing's left intact
Now scream along with all the songs
The radio played all day

I've given up, I don't give a fuck
I'm tired of being ordinary
Given up, I don't give a fuck
I'm turning away
I've given up, I don't give a fuck
I'm tired of being ordinary
But, I'll be okay

I drive all day just to find myself
Away alone with no one else
I'm free under the California sun wasting away

I've given up, I don't give a fuck
I'm tired of being ordinary
Given up, I don't give a fuck
I'm turning away
I've given up, I don't give a fuck
I'm tired of being ordinary
I'll be okay

Everyday's another day
I can't complain, I feel no pain
Everyday's another day
A big mistake
I'm wide awake, I'm wide awake

I've given up, I don't give a fuck
I'm tired of being ordinary
Given up, I don't give a fuck
I'm turning away
I've given up, I don't give a fuck
I'm tired of being ordinary
I'll be okay

I'll be okay
I drive all day
I'll be okay
I drive all day
I'll be okay
I drive all day
I'll be okay
