

# Sugarcult, Pretty girl

Pretty girl is suffering  
while he confesses everything  
Pretty soon she'll figure out  
what his intentions were about  
And that's what you get for falling again  
you can never get him out of your head  
And that's what you get for falling again  
you can never get him out of your head  
Its the way that he makes you feel  
Its the way that he kisses you  
Its the way that he makes you fall in love  
She's beautiful as usual  
with bruises on her ego and  
her killer instinct tells her to  
be aware of evil men  
And that's what you get for falling again  
you can never get him out of your head  
And that's what you get for falling again  
you can never get him out of your head  
Pretty girl
