

# Sugarcult, Sing off

Wake up all alone  
sending postcards back to home.  
on the road  
if the medication works  
could i be the way i was?  
in control  
you painted a picture  
im the worst type of sinner.  
you know  
you painted a picture  
happier than i can afford  
nobody can save me  
nobody can save me  
nobody can say what ill do if im alone  
sign off  
sign off  
sign off  
sign off  
sign off (nobody can save me)  
sign off  
sign off (nobody can save me)
