

Sugarland, April Showers

Looking for an angel
In these hills
Looking for a map to find
What we left behind
Knowing that we will
Always end up right where we start
'Cause I've got time on my hands
And hope in my heart
We both understand
We weren't meant to be apart

Chorus:
April showers
Bring May flowers
I have seen rain before
But if Sunday morning
Lets that sun in
What are we waiting for
'Cause love leaves an open door

If I had one wish
I'd wish for two
One for me, baby
One for you
It would find you
Right where you are
With time on your hands
And hope in your heart
We both understand
We were written in the stars

repeat chorus

It's worth all the cost
'Til I find what I lost in your eyes
And you realize

April showers
Bring May flowers
We have seen rain before
But if Sunday morning
Lets that sun in
What are we waiting for
'Cause love leaves an open
Wishing and hoping
Love leaves an open door
