

# Sugarland, April Showers

Looking for an angel  
In these hills  
Looking for a map to find  
What we left behind  
Knowing that we will  
Always end up right where we start  
'Cause I've got time on my hands  
And hope in my heart  
We both understand  
We weren't meant to be apart

Chorus:  
April showers  
Bring May flowers  
I have seen rain before  
But if Sunday morning  
Lets that sun in  
What are we waiting for  
'Cause love leaves an open door

If I had one wish  
I'd wish for two  
One for me, baby  
One for you  
It would find you  
Right where you are  
With time on your hands  
And hope in your heart  
We both understand  
We were written in the stars

repeat chorus

It's worth all the cost  
'Til I find what I lost in your eyes  
And you realize

April showers  
Bring May flowers  
We have seen rain before  
But if Sunday morning  
Lets that sun in  
What are we waiting for  
'Cause love leaves an open  
Wishing and hoping  
Love leaves an open door
