

Sugarland, Fall Into Me

When the weight of the world
Breaks down so strong it
Leaves footprints on the street
And theres too many miles to face
Without a few more hours sleep
The storm clouds overhead won't shed
Any rain to quench your thirst
I wanna be the one you reach for first

When your faith is stretched so thin
That you can see right through your soul
And you cant find a nickel to buy a smile cuz all ur pockets all got holes
You wanna shut the door and
Hide before the day can get much worse
I wanna be the one you reach for first

Fall into me
My arms are opened wide
And you dont have to say a word
Cuz I already see
That it's hard
And you're scared
And you're tired
And it hurts
And I wanna be the one you reach for first

I wanna be the bottle you've been drinkin with your eyes
Or the road you run away on
You've been runnin all your life
The third row pew that you last knew
As a child in church
I wanna be the one you reach for first

Fall into me
My arms are opened wide
And you don't have to say a word
Cuz I already see
That it's hard
And you're scared
And you're tired
And it hurts
And I wanna be the one you reach for first

Before you turn the key
Before you fall asleep
Before you drift away
To find some demons waiting for you
In your dreams
Before your arms stretched wide open
Before you're reaching for the sky
Before you're searching for direction
And all the answers till you fall

Fall into me
My arms are stretched opened wide
You don't have to say a word
Cuz I already see
That its hard
And your scared
And your tired
And it hurts
And i wanna be the one you reach for first
