

# Sugarland, Something More

Monday, hard to wake up  
Fill my coffee cup, I'm out the door  
Yeah, the freeway's standing still today  
It's gonna make me late, and that's for sure  
I'm running out of gas and out of time  
Never gonna make it there by nine

Chorus:

There's gotta be something more  
Gotta be more than this  
I need a little less hard time  
I need a little more bliss  
I'm gonna take my chances  
Taking a chance I might  
Find what I'm looking for  
There's gotta be something more

Five years and there's no doubt  
That I'm burnt out, I've had enough  
So now boss man, here's my two weeks  
I'll make it short and sweet, so listen up  
I could work my life away, but why?  
I got things to do before die

Repeat Chorus

Some believe in destiny, and some believe in fate  
I believe that happiness is something we create  
You best believe that I'm not gonna wait  
'Cause there's gotta be something more

I get home 7:30 the house is dirt, but it can wait  
Yeah, 'cause right now I need some downtime  
To drink some red wine and celebrate  
Armageddon could be knocking at my door  
but I ain't gonna answer that's for sure.  
There's gotta be something more!
