

Sugarplum Fairy, Hate It When You Go

Don't you see you got no real reason to be here?
Still, you're standing still
Movements from your lips form I'm leaving
Will you wait? I will

I am tired since last night and I tried to do things right
Now it's time to start drinking because my head is shrinking

And I hate it when you go, oh I don't know why I always seem to
Hate it when you go, oh when I know that it's time to let it go

The days we spent in bed in the beginning
We swore we'd never stop
Moments that we had lost there meaning
Now it's who's first to get up

And I've tried since last night but nothing turned out right
Now it's time to start drinking because my head is shrinking

And I hate it when you go, oh but I know that you always seem to
Hate me when you go, oh I don't know why I always seem to
Hate it when you go, oh I don't know why I always seem to
Hate it when you go, oh when I know that it's time to let it go

And I hate it when you go
And I hate it, hate it
Oh I hate it when you go
