

# Sugarplum Fairy, Illusion Of Conclusion

"Hey People, What D'you Think About Illusion Of Conclusion?

Yay

I Said, What Do You Think About Illusion Of Conclusion?

Hell Yeah"

Oh, oh, oh

I need to get away

I need to chase the day

I need to find out what is wrong

Can't go on

Time to run now I'm done

Can't see none through my gun

And in my mind I say a prayer

But who cares?

If pollutions are filling my mare

And I am loosing it all again my friend it's quite a feeling

And it's so hard to believe in this kind of feeling

And I am loosing it all again my friend it's quite a feeling

And it's so hard to believe in this kind of feeling

She gets through

Oh, oh

There's thunder in my hair

Howling violins in the air

She left me wandering through her head

Got misled

You move my heart and I move along

You put a spell that filled my lungs

We all give love and then take it back

Days turn black help me get on the right track

And I am loosing it all again my friend it's quite a feeling

And it's so hard to believe in this kind of feeling

That I am loosing it all again my friend it's quite a feeling

And it's so hard to believe in this kind of feeling

I searched for gold

It put out the fire in my soul

And now I'm cold but I'm told

Under your hair there's a stair to your thoughts

Oh I like to know how deep it goes

And I am loosing it all again my friend it's quite a feeling

And it's so hard to believe in this kind of feeling

That I am loosing it all again my friend it's quite a feeling

And it's so hard to believe in this kind of feeling

And people always try to tell me what to do

You do too

And I don't listen to them baby

If I need you

Then I need you

And people always try to tell me what to do

You do too

And I don't listen to them baby

If I need you

Then I need you

Oh, oh
