

# Suggs, Blue day

The only place to be, every other Saturday  
Is strolling down the Fulham Road  
Meet your mates, have a drink, have a moan and start to think  
Will there ever be a blue tomorrow?  
We've waited so long, but we'd wait forever  
Our blood is blue and we would leave you never  
And when we make it, it'll be together...

Oh oh oh

Chelsea, Chelsea

Chelsea, Chelsea

We're gonna make this a blue day

Chelsea, Chelsea

Chelsea, Chelsea

We're gonna make this a blue day

Oi!

Lalalalala

Lalalalala

Lalalalala...

We've got some memories, albeit from the seventies

When Ossie and co. restored our pride

Now we've got hope in our team and suddenly it's not a dream

We'll keep the blue flag flying high

We've waited so long, but we'd wait forever

Our blood is blue and we would leave you never

And when we make it, it'll be together...

Oh oh oh

Chelsea, Chelsea

Chelsea, Chelsea

We're gonna make this a blue day

Chelsea, Chelsea

Chelsea, Chelsea

We're gonna make this a blue day

Oi!

Lalalalala

Lalalalala

Lalalalala...

Now even Heaven is blue today

You should hear the Chelsea roar

Hear the Chelsea roar...

Chelsea, Chelsea

Chelsea, Chelsea

We're gonna make this a blue day

Chelsea, Chelsea

Chelsea, Chelsea

We're gonna make this a blue day

Chelsea, Chelsea

Chelsea, Chelsea

We're gonna make this a blue day
